## **HOBBIES AND INTERESTS**

---

### **Learn The New Things**

Eventually, I think we should have to search into that what is going on into my field what new things are coming and should we learn so I spend time weekends for update- to- date.

### **Reading novels**

Novels can be an excellent source of entertainment, providing readers with an opportunity to immerse themselves in different worlds, escape the stresses of daily life, and explore new perspectives and ideas
