

Mohamed Mehdi Gara

Junior Developer

Profile

An MBA Graduate equipped with a LinkedIn profile looking for ways to become a Developer with a Stackoverflow and Github profiles.

Education

Master of Business Administration at Université Centrale, Tunis, Tunisia

Oct, 2019 - Jan, 2021

Bachelor Degree of quantitative Economics at Université Centrale, Tunis, Tunisia

Oct, 2012 - Jun, 2018

I studied at University of Tunis EL Manar from 2012 to 2017. I successfully completed my 1st year (2012-2013). Dropped out in my second year (2013-2014). Succeeded in my second year (2014-2015). Dropped out 2 times in my third year (2015-2017) which is why I changed to Université Centrale and was able to succeed in 2017-2018 and finally acquired my bachelor degree.

Certifications

Developer Certification, Data analysis with Python, Freecodecamp

May, 2020 - Jul, 2020

Developer Certification, Javascript Algorithms and Data Structures, Freecodecamp

May, 2020 - Aug, 2020

Developer Certification, Front End Libraries, Freecodecamp

May, 2020 - Aug, 2020

Developer Certification, Data Visualization, Freecodecamp

May, 2020 - Aug, 2020

Developer Certification, Scientific Computing with Python-, Freecodecamp

May, 2020 - Aug, 2020

Developer Certification, Machine Learning with Python-, Freecodecamp

May, 2020 - Aug, 2020

Developer Certification, Responsive Web Design, Freecodecamp

Oct, 2019 - May, 2020

Full Stack Development Track, 1MAC at Udacity

Jun, 2019 - Jul, 2019

Data Analysis track, 1 MAC at Udacity

Jun, 2019 - Aug, 2019

Front End Development Track, 1MAC at Udacity

Jun, 2019 - Aug, 2019

Game Development using Pygame, Guvi Geek Networks

May, 2021 - May, 2021

Intermediate SQL, Datacamp

Apr, 2021 - Apr, 2021

Python for beginners, Sololearn
