

# SAJID ALI

*"Full-Stack Web Developer"*

I'm enthusiastic, dedicated, and fun to work having 4+ years of experience in Full-Stack Web development for public, private, and government sector organizations. During my journey through the evolution of technology, I picked my "Must Have" technologies to work with PHP, JavaScript, SQL, jQuery, restful web APIs, HTML5, CSS3, and Bootstrap. By Profession, as a Full-Stack Web Developer, I worked on WORDPRESS, ANGULAR, and LARAVEL with some database management systems (MySQL, SQL Server, Oracle, SQLite, and Firebase), using Git repositories.
