Mansoor Mughal

PHP Developer

SUMMARY

I am a highly motivated professional with a passion for accepting challenges and contributing to organizational success. With a focus on achieving objectives to the best of my abilities, I am committed to improving my skills and developing my career in a growing organization. By embracing opportunities to learn and grow, I am dedicated to making a positive impact and achieving success in my role.

WORK EXPERIENCE

JUNIOR DEVELOPER (PHP, CODEIGNITER)

11/2022 - Present

VASC, Karachi, Pakistan

The biggest newspaper with a network expanding over entire Pakistan. Having a database containing millions of entries spanning over multiple databases my role is to maintain the database, make new modules and resolve issues in the existing code.

JUNIOR DEVELOPER (PHP, LARAVEL)

08/2021 - 10/2021

IDEVATION, Karachi, Pakistan

Based in the thriving state of Charlotte, United States of America, IDevation has turned heads through its result-oriented solutions with a global client base. I have worked as a junior developer here for gaining experience working alongside senior developers and team lead.

TRAINING (WEB DESIGNING AND DEVELOPMENT)

10/2018 - 06/2019

Jetnetix, Karachi, Pakistan

A Digital Designing & App Development Company started in 2015 having a mindset to provide customized solutions for small and medium-sized businesses around the globe. I was trained by senior designer and developers on HTML, CSS, PHP & CodeIgniter.
